

# FUZEHUB Solutions Forum

## FOR NEW YORK STATE MANUFACTURERS

**July 11, 2017 8:30AM-12:30PM**

(Refreshments at 8:00AM)

**Holiday Inn • 232 Broadway • Saratoga, NY**

Get registered for the Solutions Forum match-making forum where manufacturers and product developers meet hand-picked FuzeHub Resources to discuss specific business and technical challenges.

**[www.fuzehub.com/nyevents/](http://www.fuzehub.com/nyevents/)**

Fuzehub's Solutions Forums are designed for leaders of manufacturing and product development organizations to meet directly with a select group of business and technology experts in one-on-one consultations, to help find solutions to business and manufacturing challenges, and learn about opportunities for growth.

Attendees meet with our hand-picked Resources on a first-come, first-served basis during this matchmaking-style event. Resources include experts from the New York Manufacturing Extension Partnership, economic development organizations, entrepreneurial assistance programs, university research centers, and other NYSTAR-funded programs.

**REQUEST TO ATTEND**

Lunch and Learn will follow the Solutions Forum for NYS Manufacturers. Separate registration is required for each event. Thank you!
