About the Event Hosts:

FuzeHub: FuzeHub is a not-for-profit organization that connects New York's small and mid-sized manufacturing companies to the resources, programs and expertise they need for technology commercialization, innovation, and business growth. Fuzehub is designated by NYSTAR and NIST as a [Manufacturing Extension Partnership Center \(MEP\)](#) and is the only NY MEP Center with a Statewide footprint.

AIM at MVCC: The Advanced Institute for Manufacturing, or AIM, has a mission to provide small and medium sized manufacturers in the Mohawk Valley Region with training, consulting, and technology services that will lead to new product development, cost reductions, increased efficiency and profits. AIM is designated by NYSTAR and NIST as a [Manufacturing Extension Partnership Center \(MEP\)](#).

Herkimer College: Herkimer County Community College is a two-year SUNY college in central NY, with 40 associate degree programs, 20 of which are offered entirely online. Ranked among the top 150 community colleges in the nation by the Aspen Institute, Herkimer College's graduation and transfer rates are among the highest among two-year colleges in New York State. Students from across New York, 30 states, and 20 countries choose to continue their education at Herkimer College for its exceptional academics, residential campus, nationally-ranked athletic program, and supportive, welcoming atmosphere.

Herkimer County IDA: The Herkimer County Industrial Development Agency (HCIDA) is a public benefit corporation created by the Herkimer County Legislature in 1970, under the New York State Industrial Development Agency Act of 1969. The mission of the agency is to help create or retain job opportunities within Herkimer County by both assisting existing area industries and by marketing the area to prospective new industries.
