Innovation Incentive Prize Program - Food, Beverage & Agriculture Technologies Application Questions

There is a \$30 fee for each submitted application. There is no deadline to apply but Innovation Incentive Prize funds are limited. **It is strongly suggested that applicants contact Julianne Clouthier, Industry Engagement Manager at julianne@fuzehub.com to confirm if there are available program funds.** Prior to submitting an application, be sure to view the full Innovation Incentive Prize guidelines.

Total Project Cost*

Supporting Documentation

Upload a Scope of Work

Accepted file types: PDF

A summary of the project the company would undertake using the award funds to support innovative solutions to agricultural and/or food/beverage challenges, including key milestones and project timeline. The Scope of Work document must be uploaded to the online application form. This document should not exceed one page, including any graphics, and must be in a font of a legible size (12pt Times New Roman or Calibri font).

Upload the project budget worksheet

Accepted file types: Excel

The project budget worksheet (Excel spreadsheet) is the only acceptable format. Word and PDF documents will not be accepted. Applicants should propose a project budget of no more than \$10,000 (the maximum award amount). Please include details and explanations sufficient for reviewers to determine the reasonableness of budget and use of funds.

This document is for reference only and will not be accepted as an application.
Applications must be submitted online here: www.fuzehub.com/fba-t/

Confirmation and Confidentiality

I confirm that:*

- The applicant company is located in New York State.
- The applicant company has 50 employees or less.
- The applicant and project team members have read and understand the FuzeHub [privacy policy](#).

In order to submit this form, you must check all of the confirmation boxes above.
