There is a \$75 fee for each submitted application. The next round of the grant competition will open on Wednesday, May 1, 2019 and close on Friday, May 31, 2019 at 4:00 PM EST. Prior to submitting an application, be sure to review the full May 2019 grant guidelines and FAQs.

Project Information

Project Title

Project Type (please check all that apply):*

- Adoption of new technology to enhance a process and/or product
- Prototype development
- Design for manufacturing
- Proof-of-concept manufacturing
- Manufacturing-related equipment purchase
- Manufacturing scale-up
- Other project to advance manufacturing or manufacturing capabilities

Size of Company/Companies Involved in FuzeHub Project*

Projects involving companies with 50 or more employees combined are required to contribute a match according to the sliding scale outlined in the Manufacturing Grant Guidelines, with at least 50% of the match in the form of cash equity. If an application includes multiple companies, the match requirement is based on the total number of employees of the combined companies. Please identify the total number of employees for all eligible companies in the proposal and select the corresponding checkbox. (The not-for-profit lead applicant is not considered in determining the number of employees.)

- 0-49 Employees – no financial match is required, but there must be a clear demonstration of leveraged resources
- 50-99 Employees – 0.25 to 1 match
- 100-249 Employees – 0.5 to 1 match
- 250-499 Employees – 1 to 1 match

Amount of grant funding requested from FuzeHub*

Please enter a number from \$10,000 to \$50,000.

Supporting Documentation

Upload a description of your project.*

Accepted file types: PDF

A detailed project description must be uploaded to the online application form. This document may not exceed two pages, including any graphics, and must be in a font of a legible size (12pt Times New Roman or Calibri font). Any pages in excess of the two-page limit will not be reviewed. This must be in PDF file format.

**This document is for reference only and will not be accepted as an application.
Applications must be submitted online.**

Upload a project budget.* (The maximum FuzeHub grant award is \$50,000) Accepted file types: Excel
The project budget worksheet provided by FuzeHub is the only acceptable format. The worksheet and any explanatory notes should not exceed two pages. Please include details and explanations sufficient for reviewers to determine reasonableness of the budget and use of funds. The budget should make clear how the applicant is satisfying the match requirements, including any required cash and in-kind portions. Please review the full Manufacturing Grant May 2019 guidelines for details related to eligible costs. This must be in an .xls or .xlsx file format.

Upload letter(s) of commitment from the company(ies) benefiting from this project.* Accepted file types: PDF
Upload letter(s) of commitment from the company/companies benefiting from this project as a single PDF file. Letters should affirm the need for and the anticipated benefits of the project, and the anticipated economic impact relevant to each company involved. If this letter is not provided, the application will be deemed incomplete and not be reviewed. Please note: a letter from the non-profit applicant is not required. Although it is not required, applicants are permitted to submit supporting documentation related to equipment request proposals including, but not limited to: third party cost estimates, quotes, and/or letters of support from companies that will benefit from the equipment identified in the proposal. These documents can be combined with the letter of commitment PDF file.

Upload conflict of interest letter(s), if applicable Accepted file types: PDF
Upload conflict of interest letter(s) as a single PDF file. Please refer to the Manufacturing Grant Guidelines for information relating to conflict of interest letters.
