

Sarah Burlingame

Senior Project Manager, TDO

Sarah Burlingame is a Senior Project Manager at TDO. Sarah brings 20+ years of experience in quality systems, continuous improvement and workforce engagement to TDO clients. Prior to joining the TDO Team, her leadership roles included Quality Assurance Manager, Plant Safety Manager and other management positions in the Operations, Training and Logistics Departments at Anheuser-Busch. Sarah specializes in the application of Lean Manufacturing techniques and successfully led her Baldwinsville Brewery Team to 100% achievement of their top KPIs in 2016.

Sarah has a strong passion for workplace organization and efficiencies and believes in utilizing employee engagement and knowledge to reach and surpass any set goals. Her motivational techniques and ability to coach others is highly effective at driving cultural evolution in a workplace. Sarah has led many continuous improvement (CI) initiatives over the years and offers an enthusiastic approach to improving a business through the inclusion and education of all employees in a workplace.

Sarah is certified as a Lead Auditor for Quality Management System (ISO 9001: 2015 and ISO 14001) and is also certified in SQF and HACCP. Sarah is a Lean Six Sigma Black Belt and is a certified instructor for TWI Job Instruction, Job Relations, Job Methods and Toyota Kata.

Sarah earned a Bachelor of Science in Industrial Engineering from the University at Buffalo.
