FuzeHub, Inc.

Simple Agreement for Future Equity (Safe)

THIS CERTIFIES THAT in exchange for the payment by FuzeHub, Inc. (the “**Investor**”) of \$50,000 (the “**Purchase Amount**”) on or about _____, 202____, _____, a _____ organized under the laws of the State of _____ (the “**Company**”), issues to the Investor the right to certain of the Company’s Capital Securities (as defined herein), subject to the terms described below.

The “**Post-Money Valuation Cap**” is \$6,000,000.

The “**Discount Rate**” is 85% (meaning Investor will pay 15% less for Standard Preferred Securities, as defined herein).

See **Section 2** for certain additional defined terms.

1. *Events*

(a) **Equity Financing.** If there is an Equity Financing before the termination of this Safe, on the initial closing of such Equity Financing, this Safe will automatically convert into that number of securities of Safe Preferred Securities equal to the Purchase Amount divided by the Conversion Price.

In connection with the automatic conversion of this Safe into Safe Preferred Securities, the Investor will execute and deliver to the Company all of the transaction documents related to the Equity Financing; *provided*, that such documents are the same documents to be entered into with the purchasers of Standard Preferred Securities, with appropriate variations for the Safe Preferred Securities if applicable, and *provided further*, that such documents have customary exceptions to any drag-along applicable to the Investor, including, without limitation, limited representations and warranties and limited liability and indemnification obligations on the part of the Investor.

(b) **Liquidity Event.** If there is a Liquidity Event before the termination of this Safe, the Investor will automatically be entitled to receive a portion of the Proceeds immediately prior to, or concurrent with, the consummation of such Liquidity Event, equal to the greater of (i) the Purchase Amount (the “**Cash-Out Amount**”) or (ii) the amount payable on the number of Common Securities equal to the Purchase Amount divided by the Liquidity Price (the “**Conversion Amount**”). If any of the Company’s securityholders are given a choice as to the form and amount of Proceeds to be received in a Liquidity Event, the Investor will be given the same choice.

Notwithstanding the foregoing, in connection with a Change of Control intended to qualify as a tax-free reorganization, the Company may reduce the cash portion of Proceeds payable to the Investor by the amount determined by the Company’s board of directors, board of managers or similar governing body (the “**Board**”) in good faith for such Change of Control to qualify as a tax-free reorganization for U.S. federal income tax purposes, provided that such reduction (A) does not reduce the total Proceeds payable to the Investor and (B) is applied in the same manner and on a pro rata basis to all securityholders who have equal priority to the Investor under Section 1(d).

(c) **Dissolution Event**. If there is a Dissolution Event before the termination of this Safe, the Investor will automatically be entitled to receive a portion of Proceeds equal to the Cash-Out Amount, due and payable to the Investor immediately prior to the consummation of the Dissolution Event.

(d) **Liquidation Priority**. In a Liquidity Event or Dissolution Event, this Safe is intended to operate like standard non-participating preferred securities. The Investor's right to receive its Cash-Out Amount is:

(i) Junior to payment of outstanding indebtedness and creditor claims, including contractual claims for payment and convertible promissory notes (to the extent such convertible promissory notes are not actually or notionally converted into Capital Securities);

(ii) On par with payments for other Safes and/or Preferred Securities, and if the applicable Proceeds are insufficient to permit full payments to the Investor and such other Safes and/or Preferred Securities, the applicable Proceeds will be distributed pro rata to the Investor and such other Safes and/or Preferred Securities in proportion to the full payments that would otherwise be due; and

(iii) Senior to payments for Common Securities.

The Investor's right to receive its Conversion Amount is (A) on par with payments for Common Securities and other Safes and/or Preferred Securities who are also receiving Conversion Amounts or Proceeds on a similar as-converted to Common Securities basis, and (B) junior to payments described in clauses (i) and (ii) above (in the latter case, to the extent such payments are Cash-Out Amounts or similar liquidation preferences).

(e) **Termination**. This Safe will automatically terminate (without relieving the Company of any obligations arising from a prior breach of or non-compliance with this Safe) immediately following the earliest to occur of: (i) the issuance of Capital Securities to the Investor pursuant to the automatic conversion of this Safe under Section 1(a); or (ii) the payment, or setting aside for payment, of amounts due to the Investor pursuant to Section 1(b) or Section 1(c).
